

## Sidekick Chardonnay

The Sidekick Series from Iconic Wine represents the finest wine we could create at everyday drinking value. We work with multiple vineyard sources from around northern California. This allows us every year to assure we pull the best fruit for the price depending on the vintage, creating a trustworthy wine and perfect companion to you day to day adventures. Iconic was founded on a love of Chardonnay. It was the very first wine we ever made, and we are very picky when it comes to this great grape. Like our flagship Chardonnay, Heroine, the focus is on fresh bright fruit and minerality. 2018 was a fantastic vintage, long cool growing season that allowed the wine to obtain an optimal ripeness while keeping its freshness. The result is perhaps the richest vintage of Sidekick Chardonnay ever produced, despite it being 100% stainless steel. 80% Free run and 20% pressed juice.
